Obaka Ufedo

Examination Officer

The Federal University of Petroleum Resources

Effurun, Delta State

To the Admissions Committee,

I am writing this letter of recommendation on behalf of Oyem Ikenna, who was under my supervision during his undergraduate studies at The Federal University Of Petroleum Resources Effurun, Delta State. As the exams officer for the department, I had the opportunity to closely observe Oyem's academic performance and his contributions to the department.

Oyem was an outstanding student who consistently demonstrated a high level of commitment, dedication, and intellectual curiosity in his studies. He always had a positive attitude towards learning and displayed exceptional analytical and critical thinking skills in his coursework. His ability to analyze and synthesize complex information was particularly impressive, and he frequently provided valuable insights during classroom discussions.

Oyem was an active participant in the departmental activities, and he was always willing to help his fellow students. He was also a diligent and reliable student, always submitting his assignments and exams on time and to a high standard. He consistently received excellent grades in his coursework, indicating a thorough understanding of the material and a strong work ethic.

As his exams officer, I can attest to Oyem's integrity and honesty. He always adhered to the academic code of conduct, and I never had any concerns regarding his academic integrity. He was a responsible student who took his studies seriously, and I believe that he will continue to demonstrate these qualities in any academic setting.

In summary, I wholeheartedly recommend Oyem Ikenna for admission to your esteemed institution. His academic excellence, intellectual curiosity, and dedication to learning make him an ideal candidate for any academic program. I am confident that he will make a valuable contribution to your institution and excel in his studies.

Please feel free to contact me if you require any further information regarding Oyem.

Sincerely,

Obaka Ufedo
